Dear Sir:-

Will you please do me the kindness to let me know whether there has been any gold sent to the mint in Philadelphia from the "Doo's" mine in Halifax Co. N. C. - I do not know just what Mr. Doo's name was - rather think it was "John" - but there is only one property in the section (belonging to a Doo's - it is very near the "Portis" mine in Franklin Co. - N. C. & at Parsons Bridge - over Fishing Creek - I am interested in this property &

would thank you very kindly
if you could give me this
information - If any has been
sent to the mint it was before
the war -

Waiting your reply - I am,
Yours - Very respectfully -
J. W. Brewer.

Dear Sir

The books are down at the Post
Office and we would not know from
our books about any particular mine
we only in those days marked it
from the state not any particular ^{mine} & so
if we were to look over our books
we could not tell anything about it.

Very Respect
